UPDATE!

Dear Club Members,

NJ Executive Order# 143, permits Public & Private beaches to be open at sunup on May 24th. The Board of Governors have decided to open our beaches with the following rules & restrictions in place to comply with the order:

- We are required to limit access to our facilities so members only at this time, no guests, please. Exception: Non-family member caregivers.
- Physical distancing of 6 feet whenever practical excluding household members, family members, caretakers, romantic partners.
- No contact sports are allowed.
- Face covering strongly encourage when social/physical distancing cannot be maintained but not required.
- No picnic tables can be occupied to discourage gatherings.
- No parties of any type at this time. No grills, tables, tents on the property.
- Beach toys should be limited, and parents should ensure they are not shared with others outside the family unit.
- No flotation devices allowed.
- Personal chairs are permitted but should not be shared outside the family unit.
- Swim docks and raft are closed.
- Playgrounds are still closed.

We ask all members to please be personally responsible for themselves and, in particular, their children when it comes to social/physical distancing and to please adhere to the rules. Lifeguards will be on duty. Our lifeguards and beach security have been instructed they are not the social distancing police, please do not put them in that position.

If the Board finds that members are not in compliance and cannot adhere to the order and to the rules put forth, removal from club property and loss of club privileges may result. We do not want to be in a position to close the facilities to all members. Remember, this is a soft opening, hopefully, as the season moves forward, these restrictions will ease up.

Thank you for your anticipated cooperation. Let's please make this work for the benefit of all.

Board of Governors, Lake Shawnee Club

We are overjoyed to announce that Lake Shawnee resident, Swim Team member and Captain, and Jefferson Township High School 2020 Graduate, Samantha Iversen, received a multiple organ transplant on May 6th after a lifelong struggle with gastrointestinal issues. She is recuperating in a Pittsburgh Hospital and hopes to return to Lake Shawnee in a few months. Please keep her and her family in your thoughts and prayers.

We love you, Sam!!

Summary of the Lake Shawnee Club Board Meeting

May 1, 2020

The monthly meeting of the Board of Governors was held virtually due to the current health crisis and social distancing regulations that remain in effect.

Mr. Wilsusen reported that the Governor reopened State parks beginning tomorrow with a limit of 10 people in a group.

There was a discussion by the Board on the plans for reopening of beaches amid the current situation. It was determined to plan on opening Memorial Day with lifeguards, dependent on Governor's orders at that time.

Next, there was a discussion on distributing badges. It was noted that an updated email was sent to members and we will continue to keep them informed as things are determined.

Work continues to be completed on properties by members as organized through Sign Up Genius, although most of the work has been completed. Mulch and QP along with new trees have been delivered; they will be spread and planted shortly. Sand will be delivered and spread at 1st and 3rd Beaches. 2nd Beach will need more leaf bags, the gate needs repairs and mulch needs to be spread on the access ramp. Work needs to be completed on 3rd Beach decking, the raft needs to be pushed out and a large log needs to be removed and cut up.

A gas line will be run to the new Clubhouse as part of Phase 3 of the gas installation in the Reservation. This should be started in the next few weeks to be completed prior to the winter.

It was noted that more members have paid their dues in April than ever before, led specifically by the Seniors.

The Social Committee reported on their list of quarantine activities including many birthday parades. She thanked everyone for their contributions and posts and asks the Board to keep the ideas coming. She noted that the committee continues to hold their monthly meeting via Zoom online, so they can be ready to go once things begin to return to normal.

Mrs. McConnon updated the Board on the new monthly format of the LSNews during the current COVID-19 pandemic. She expressed her gratitude to all involved with producing the newsletter and said she was especially pleased with the May edition; it was especially uplifting during these difficult times. She hopes to resume the normal (every other month) format in the fall.

It was noted that Solitude Lake Management has begun their surveying of the lake for the season and the lake looks great. They noticed some filamentous algae, but the treatments from last year are still working at keeping down weed growth. They will back in two weeks.

The Board was updated on the status of the Clubhouse renovation project. The following update was provided: inside upstairs framed and all insulation in, downstairs office framed, old furnace removed, glass trophy case removed, heat and AC in office and kitchen area being installed, siding almost complete, deck in done, railing needs to be installed, handicap ramp upper is done, cement walkway needs to be installed from parking lot and railing needs to be installed, new door into kitchen needs to be replaced due to rot, and a new stove purchased and needs to be installed. There was a brief discussion on the timeline for completion of the project, which was anticipated for Memorial Day but may be closer to July 1st. A Grand Opening party will be planned for the membership once the project is completed.

There was a brief discussion on the Boating Policy, specifically the removal of boats during a Presidential Election year (next year). The Board will discuss at a future date.

Mrs. McConnon updated the Board on the Lake Shawnee Superhero 3-6-9. The race had to be postponed to the Governor's Stay at Home Orders amid the COVID-19 pandemic. Plans are to reschedule the race once things have returned to normal. Due to our generous sponsors and other donations throughout the year, the committee is once again able to give out over \$2000 in scholarships to three deserving individuals as determined by Scholarship Committee judges. The winners will be announced on June 9th and will be published in the July edition of the LSNews

Sheridan Cottam Culbertson my cousin just posted this, perfect timing! 🤔 Three handsome male dogs are walking down the street when they see a beautiful, enticing, female Poodle.

The three male dogs fall all over themselves in an effort to be the one to reach her first, but end up arriving in front of her at the same time.

The males are speechless before her beauty, slobbering on themselves and hoping for just a glance from her in return.

Aware of her charms and her obvious effect on the three suitors, she decides to be kind and tells them, "The first one who can use the words 'liver' and 'cheese' together in an imaginative, intelligent sentence can go out with me."

The sturdy, muscular black Lab speaks up quickly and says, "I love liver and cheese."

"Oh, how childish," said the Poodle. "That shows no imagination or intelligence whatsoever."

She turns to the tall, shiny Golden Retriever and says "How well can you do?"

"Um. I HATE liver and cheese," blurts the Golden Retriever.

"My, my," said the Poodle. "I guess it's hopeless. That's just as dumb as the Lab's sentence."

She then turns to the last of the three dogs and says, "How about you, little guy?"

The last of the three, tiny in stature but big in fame and finesse, is the Taco Bell Chihuahua.

He gives her a smile, a sly wink, turns to the Golden Retriever and the Lab and says.... Liver alone. Cheese mine

### **Swim team update**

Due to the covid19, we are still undergoing virtual meetings with the NJRLL Board and LSC Swim Team Board to have a decision on what the outcome will be for the 2020 swim season. Please check the LSC website and our LSC Swim Team Facebook page for updates and further details.

On a positive note, we would like to share very good news. Our warrior, Sam Iversen, had successfully undergone her transplant surgery in May and is doing very well. On behalf of the Swim Team, we are all keeping you in our thoughts and prayers for a speedy recovery, Sam!

### **The Social Committee is Seeking Volunteers**

In order to ensure the success and continuation of next year's events, we need more volunteers to come out and lend a hand. Without increased involvement, we will be forced to cancel events that we have all come to love. A large commitment isn't necessary. We are asking members to sign up to chair an event(s). New ideas are always welcome. We will also share experiences and help you every step of the way. Unfortunately, if we do not get people to chair more events, they may be cancelled. So grab some friends, pick an event and let's work together to make 2020 an exceptional year!! If you are interested, please email [social@lakeshawneeclub.org](mailto:social@lakeshawneeclub.org)

## WHAT IS THE BEST ADVICE YOU RECEIVED FROM YOUR MOTHER?

Bee Hall She gave tons of great advice..she still does..but my favorite is..let your kids think you're a little crazy that way they'll never test you..and she was right..I threw a little wagon out the back sliders in to yard and they still won't test me if I say stop or No..you can ask my kids they tell you..😁

Grace Bordonaro If you have nothing to do, go read a book.

Rosa Kasper Always be a lady: Be truthful, honorable, and faithful.

Randy Artiglere "You'd better shop around." She actually did communicate this to me, but not in those exact words. Advice well taken for I shopped for 20 years after to find the right girl 🧑!

Dina Troha There's always a better way

Carole Adessa If you can't say anything nice don't say anything at all!

Anthony Dragona Yes Carol If you have nothing nice to say then say nothing Also don't worry Anthony every dog has its day what comes around goes around. All true

Judy Vitencz Kulich no matter how big your problems are, someone somewhere has it worse

We never know what it's like walking in someone else's shoes. We make the best decisions we can under our own varying circumstances.

Jeff Wana This too shall pass!

# Slow Down Shawnee!

The group's purpose is to increase safety for pedestrian and vehicle traffic along Shawnee Trails.

**Wear a reflective vest  
and put one on your dog!**

This is one idea to help you as a pedestrian stay safe.

Other ideas are being explored. This takes time, research, education, and persistence. If you would like to get involved, please join the Facebook group, Slow Down Shawnee, and help make our community safer. Next meeting to be announced on our Facebook page.
